HEAD CUT OFF

🌀 Higgsfield

STEP 1: TAKE YOUR PHOTO

STEP 2: CREATE THE AI IMAGE

Use Seedream 5

PROMPT USED

A hyper-realistic giant version of this person's cut off head lying on its side on a outside setting. include grass and flowers. entire head is visible from chin to crown. A miniature version of the same person sits casually on top of the giant head, wearing a white t-shirt and blue jeans and a beige cap.

STEP 3: ANIMATE

Use Kling 3.0 Motion Control

Record yourself delivering your line —
Kling 3.0 Motion Control will transfer
your movement and lip sync onto your
AI character, so it looks like they're the
one saying it."

STEP 4: Get creative

Make sure to tag me when you
recreate this so I can see your
version
